Travis Wiley

FULL-STACK WEB DEVELOPER

As a soon-to-be-graduate with a strong foundation in full-stack web development, I am eager to contribute my skills and knowledge to a dynamic team. I am seeking a challenging role where I can continue to enhance my expertise in both front-end and back-end technologies while actively contributing to innovative and impactful projects.

EXPERIENCE

AIRGAS

Area Branch Operations Coordinator/Branch Manager

- Provided SAP support to multiple branches, evaluating branch metrics.
- Conducted training on SAP, vendor, and product knowledge.
- Ensured efficient, safe, and SOP-compliant branch operations.
- Managed all aspects of branch operations, including sales, budgeting, and safety.
- Controlled costs, monitored fiscal performance, and maintained compliance.

UNITED STATES ARMY

Field Artillery

- Participated in combat missions, demonstrating proficiency in infantry tactics and procedures.
- Executed offensive and defensive operations to achieve mission objectives.
- Conducted reconnaissance and provided intelligence to commanders.
- Led and supervised small infantry teams in various tactical scenarios.
- Mentored and trained junior enlisted personnel in infantry skills.

UNITED STATES NAVY

Military Police

- Conducted security patrols to safeguard military installations and personnel.
- Monitored access points, ensuring only authorized individuals entered restricted areas.
- Implemented security measures to prevent unauthorized access and protect sensitive information.
